FIL

Meet the FIL table, which takes abstractions of form one step further and offers a unique design with two sculptural support legs!

Boasting an undefined geometry with sculptural carrier legs, the Fil table brings the strong influence of the form to the space through plain yet striking aesthetics.

Promising to bring a unique design understanding to the space, the Fil table offers different form and size alternatives including round and rectangular.

It offers unlimited transformation possibilities with elegant carrier legs in the form of an abstracted elephant, color options where one can feel the texture of natural wood veneer on three-dimensional molded plywood, with natural veneer, glass, marble, and lacquer options for the counter.
