**Manufacturer:** .mdd sp. z o. o.

Before transporting, assembling and using the product, read this information and the instructions supplied with the product.  
Keep the information and instructions for future reference.

## 2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

### Technical information

-  **NOTE:** Desks with managerial cabinets have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

-  **WARNING:** The product is not intended for use by children without adult supervision.
-  **WARNING:** For models with sliding doors or drawers – use caution when using them. Incorrect opening or excessive loading can lead to damage to the slides or reduced stability of the components.

### Transport and storage safety

-  **WARNING:** The desk with cabinet should be transported in a position suitable to protect the components from scratches, shocks and deformation. The components should be well packed and labelled.
-  **WARNING:** The packaging may contain small parts (e.g. screws, handles, keys) that pose a choking hazard to children. Keep out of their reach.

### Maintenance, repair and disassembly

-  **NOTE:** Regularly check the fixings of the legs, cabinet body and slides. Loose components should be tightened.
-  **NOTE:** If any component is damaged – discontinue use and contact an authorised service centre.

Thank you for choosing our product and we wish you a comfortable experience!

### Assembly and use

-  **WARNING:** Assembly of the desk and cabinet should be carried out in accordance with the manufacturer's instructions. Due to the dimensions, assembly by two people is recommended.
-  **WARNING:** The desk must be placed on a level, stable surface. In the case of models integrated with a cabinet – make sure the whole thing is properly levelled.
-  **WARNING:** Do not exceed the permissible load of the top and shelves in the cabinet – please refer to the documentation for detailed technical data.
-  **WARNING:** Do not sit, stand or climb on the desk top or cabinet body – this can lead to structural damage and injury.
