Design: Wolfgang C. R. Mezger.

Creative communication: Frame Lite is varied and variable. The furniture for conference rooms combines representative design with useful functions. Minimalist in the thickness of its table tops, Frame Lite demonstrates lightness and modern elegance. The table tops can be connected with different table legs without the need for any tools thanks to fast connections. The light materials make for easy assembly as well as facilitating the storage of table tops for the various types of conference configuration. Connectors ensure that all kinds of multimedia equipment can be used.

We would greatly appreciate a courtesy copy.
