

IT — Sessanta è una collezione direzionale di scrivanie, contenitori e tavoli riunione. Combina un'accurata selezione di materiali da giocare in armonia e alternanza nelle superfici e nei volumi degli arredi. Lo spessore 60 mm è il filo conduttore che contraddistingue e lega gli elementi della collezione. Numerose le finiture, che vanno dai legni impiallacciati, ai colori Fenix, al cuoietto rigenerato, al melaminico legno e tinta unita.

EN — Sessanta is an executive desks collection, cabinets and conference tables. It combines a careful materials selection to play in harmony and alternatively on the surfaces and on the furniture volumes. The thickness of 60 mm is the common thread that characterizes and binds the collection elements. There are numerous finishes, ranging from veneered woods, Fenix colors, regenerated leather, wood and solid color melamine.

F — Sessanta est une gamme de mobilier de bureaux de direction, de bureaux, de rangements et de tables de réunion. Elle associe une fine sélection de matériaux jouant harmonieusement et en alternance sur les surfaces et avec les volumes des meubles. Une épaisseur de 60 mm est le fil conducteur qui démarque et coordonne les éléments de la collection. Il existe de nombreuses finitions, allant des bois plaqués aux couleurs Fenix, au bois et à la mélamine couleur unie.
