Bao Armchair.

Design: EOOS.

Spacious and round. It's the curves that make Bao Armchair appealing on first sight. An opulent sculpture with an artistic back. As is the case with a leather ball, the leather patchwork forms the back. Flowing lines – sweeping and elegant. The armchair combines the materials whilst keeping them distinct: classy saddle leather on the back, natural fabric for the seat. Bao – as familiar as a welcoming embrace. The swiveling armchair is available in all fabric and leather combinations, completely covered in fabric or leather.

We would greatly appreciate a courtesy copy.
