LEARNING SPACES

The joy of
growing and
expanding

The school is that friendly and safe space where understanding, creativity and feelings allow to discover both the world and oneself.

L'escola és l'espai amable i segur en què la comprensió, creativitat i sentiments permeten descobrir tant el món com a un mateix.

Dividing is adding.

Separating areas within the same space is easy with panels that also provide acoustic comfort. The learning environment has a deep impact on the educational results of all students. Shall we make the most of every square meter?

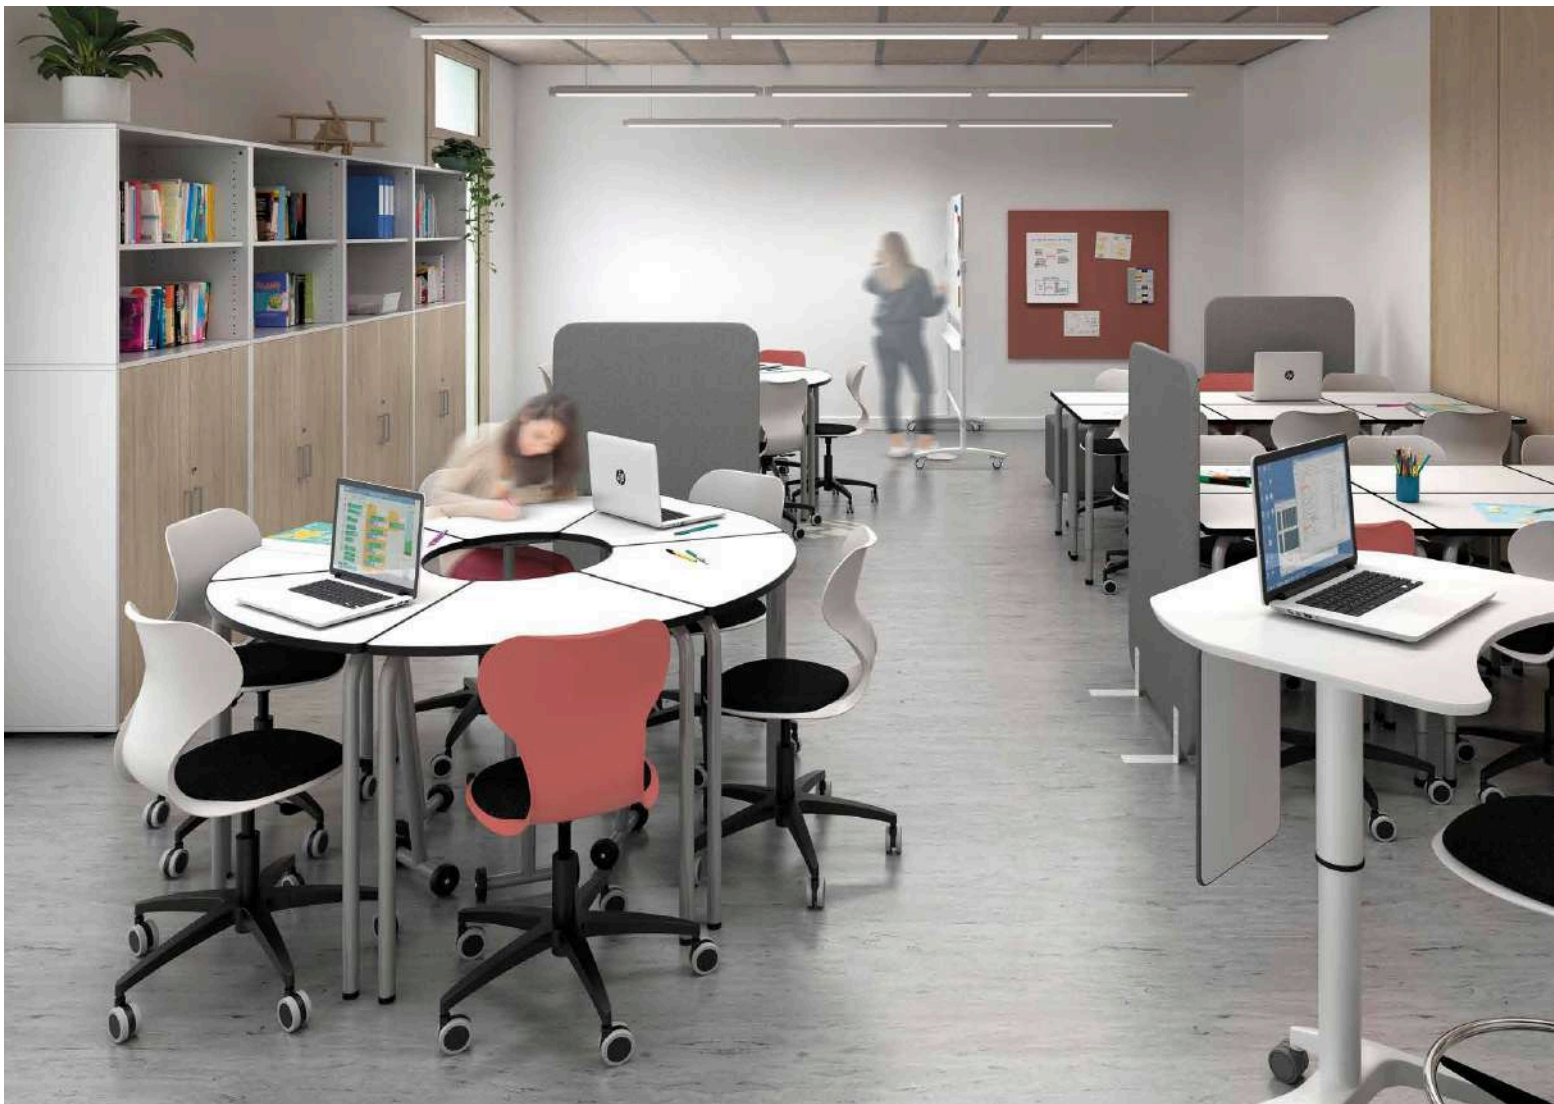

Separar zones en un mateix espai és fàcil amb panells que a més aporten confort acústic. L'entorn d'aprenentatge té un efecte profund en els resultats educatius de tots els alumnes. Treiem partit de cada metre quadrat?
