Declares:

that the work chair model **TRIM** manufactured by **ACTIU BERBEGAL Y FORMAS, S.A.** disposes of the following technical report issued in accordance with the requirements of the European Standard EN 1335-1:2020 + A1:2022.

Model	Report N.	Report date
TRIM	231.I.2406.360.ES.01	29/05/2024

The type C seat classification obtained, in accordance with standard EN 1335-1:2020 + A1:2022, also guarantees compliance with the dimensional requirements set out in RD 488/1997 on *The minimum health and safety requirements for work with display screen equipment* - as far as work chairs are concerned - (RD 488/1997 Annex. Minimum requirements. Section E: Work chair), as well as those of the *Technical Guide for the assessment and prevention of risks associated with the use of display screen equipment* - year 2021.

In the same way, and in relation to the dimensional characteristics of the model, this classification would also adapt to the specific design indications for workstations of UNE EN ISO 9241-5:1999 *Ergonomic requirements for office work with display screen equipment (DSP). Part 5: Workstation design and posture requirements*.
