### TEST CERTIFICATE N. 231.Z.2411.632.EN.01

References: 2409157-05, 2504131-02-Ci

**PRODUCT:** CADDY TUBBE

**COMPANY:** ACTIU BERBEGAL Y FORMAS, S.A.  
Parque Tecnológico ACTIU  
Autovía CV-80, Salida Onil-Castalla  
03420 CASTALLA - Alicante - SPAIN  
[www.actiu.com](http://www.actiu.com)

**TEST:** Compliance with the following standard:  
**UNE EN 16121:2024** Non-domestic storage furniture. Requirements for safety, strength, durability and stability.

**RESULT:** It satisfactorily complies with the specifications stated on the standard on the following tests:

| TESTS                                                                                                                                         | RESULT          |
|-----------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| <b>5. General safety requirements</b> , 5.1, 5.2, 5.3, 5.4, Principles, general, holes in rigid/tubular components, shear and squeeze points. | <b>APPROVED</b> |
| <b>5.7 Stability</b>                                                                                                                          | <b>STABLE</b>   |
| <b>5.8 Structural safety</b>                                                                                                                  |                 |
| 5.8.1.2 Shelf retention test. Horizontal outward. ( $F_h = >14,5$ N)                                                                          | <b>CORRECT</b>  |
| 5.8.1.4 Strength of shelf supports. ( $Q = 30,6$ kg, 10 times)                                                                                | <b>CORRECT</b>  |
| 5.8.1.11 Test for structure and underframes. ( $F_h = 350$ N, 10 times)                                                                       | <b>CORRECT</b>  |
| 5.8.1.12 Test for unit with castors or wheels (2000 cycles)                                                                                   | <b>CORRECT</b>  |
| <b>5.8 Safety requirements</b>                                                                                                                |                 |
| 6.1.14 Drop test ( $h = 50$ mm)                                                                                                               | <b>CORRECT</b>  |
| 6.1.15 Deflection of shelves. ( $Q = 30,6$ kg, 7 days)                                                                                        | <b>CORRECT</b>  |
| <b>Annex B</b> (normative) Special requirements for schools, kindergartens and similar applications.                                          | <b>APPROVED</b> |
